

Get Brainiac Smart™
Accomplish Remarkably More Doing Less

Susanna Goulder's Audio-Visual Requirements

- One portable/movable set of steps from the front of the platform (to be used for Susanna to move from the stage into the audience)
- One small table on the stage to hold a prop
- One lavalier microphone
- One hand-held wireless/cordless microphone (to be used when Susanna goes into the audience and when Susanna brings participants onto the stage)
- Fully lit meeting room

For PowerPoint Presentations

Susanna brings her laptop plus a thumb drive with her slides loaded. Please provide the following:

- One PowerPoint screen
- PowerPoint projector
- One mini jack (to allow Susanna to plug into the sound system with her iPad or laptop and use it on stage)
